

Grant agreement model for Erasmus+ staff mobility for teaching and training between PROGRAMME and PARTNER COUNTRIES

[This template can be adapted by the higher education institution (HEI), but the contents of this template are minimum requirements. Blue code: directions for HEIs that should be deleted; yellow code: HEI to select or edit as applicable.]

[Staff mobility to/from non-academic organisations is available for mobility between Programme and Partner Countries from the 2018 Call. Please remember this scheme allows for staff mobility for teaching from non-academic Partners towards HEIs (in both directions) and for training of Partner Country HEIs staff members in non-academic organisations in Programme Countries (i.e. training of staff members from Programme Country HEIs in Partner Country non-academic partners is not eligible in KA107). When the Institution uses this template for staff training in non-academic partners, the Institution should select "receiving organisation" for the provisions that foresee this possibility.]
